Doc. WASTE WG 01(2011)
Original in EN, available only in EN
Point 1 of the agenda

Draft Agenda

Eurostat – Unit E3 – Environmental and forestry statistics

Meeting of the

Working Group "Statistics of the Environment"

Sub-Group "Waste"

Joint Eurostat/EFTA group

Meeting of 8 and 9 March 2011

BECH Building – Room Quetelet

Draft Agenda
8 – 9 March 2011

Tuesday, 08 March 2011 **Chair: Gilles Decand**		**BECH Building, Room Quetelet** **Begin: 10:00 a. m.**
	10:00h – 12:30h	**Documents:**
	Opening of the meeting	
1	**Adoption of the agenda**	**WASTE/WG/01 (2011)**
2	**Minutes of the previous meeting** The draft minutes are available on Circa. *For approval*	**WASTE/WG/02 (2011)**
3	**Waste Statistics** **3.1 Experiences from data delivery in 2010** The third data delivery has taken place in June 2010, results from the first evaluation and the follow-up will be presented. *For information and discussion* **3.2 Revision of the Waste Statistics Regulation** The amendment of the Annexes to the Regulation is adopted and preparation for the next data delivery in 2012 has started, inter alia on how to deal with break in series due to new waste categories. *For information and discussion* **3.3 Statistics on import and export of waste** Information about the workshop in November 2010 and the planned follow-up in 2011. *For information and discussion*	**Oral presentation** **WASTE/WG/3.2 (2011)** **Oral presentation**
Lunch break 12:30h – 14:30h		
	14:30h – 17:30h	
3	**Implementation of the Waste Statistics Regulation** **3.4 Report to the European Parliament and the Council** The second report on the implementation of the Regulation on waste statistics has been prepared and the main finding will be presented. *For information*	**WASTE/WG/3.4 (2011)**
4	**Waste policy update – in collaboration with DG Environment (tbc)** Planed guidance for the implementation of the revised Waste Framework Directive, proposal for the monitoring of recycling targets. *For information*	**Oral presentation**
5	**Indicators on waste** **5.1 Evaluation of municipal waste** The result of the analysis of municipal waste generation and treatment over time will be presented. *For information and discussion* **5.2 Questionnaire on municipal waste data** In autumn 2010 a questionnaire on the coverage of municipal waste data by source and waste types was sent out, this questionnaire will be presented and participants are invited to comment. *For information and discussion*	**WASTE/WG/5.1 (2011)** **WASTE/WG/5.2 (2011)**
	17:30h - end of first day	

Wednesday, 09 March 2011 Chair: Gilles Decand		BECH Building, Room Quetelet Begin: 9:30 a. m.
	9:30h – 13:00h	
5	**Indicators on waste (continued)** **5.3 Indicators on waste – sustainable development indicators** The indicators on total non-mineral waste and hazardous waste generation are now proposed to be used as sustainable development indicators, the time series from 2004-2008 will be presented. *For information and discussion*	**WASTE/WG/5.3a (2011)** **WASTE/WG/5.3b (2011)**
6	**Data Centre on Waste** **6.1 Progress report** Overview on the recent developments, on progress in thematic data collections (Packaging waste, end-of-life vehicles and waste electrical and electronic equipment, WEEE) and on the state of the preparation for reporting on waste shipments will be presented. *For information* **6.2 Dissemination, publication, website** Latest developments regarding the publication of waste statistics, meta information and new and planned features of the data centre website will be presented. The new dissemination tool "Statistics explained" and the chapter on waste in the Eurostat publication "Environmental statistics and Accounts" will be shown. *For information and discussion*	**Oral presentation** **Oral presentation**
7	**Use of waste statistics** **7.1 Data quality check - using different data reporting obligations** Waste statistics are compared to data reported according to the **E-PRTR** Regulation (European Pollutant Release and Transfer Register). Participants are invited to comment on the approach. *For information and discussion* **7.2 The European Environment – State and Outlook 2010 report (SOER 2010): Assessment on waste** The EEA will present some insights from the assessment on waste within the SOER 2010. The assessment is based on data from Eurostat, supplemented by data and information from other sources such as the member countries and relevant studies. *For information and discussion*	**WASTE/WG/7 (2011)** **Oral presentation**
8	**Work programme 2011 and planned work for 2012** Main topics of the work programme 2011 and the planned work in 2012 will be presented. *For information and discussion*	**Roomdocument**
9	**Any other business**	
	13:00h - end of second day
